#### PICNIC

---

Want to meet up with your "old" friends in person? Come to the school's quad on Sunday June 29th from 11 am to 4 pm. for The Alumni Association's Annual picnic. Classes post signs, so you'll know where to find yours. It helps a lot if you can send in your \$6.50 per person NOW for the picnic lunch so the planners will provide enough food. I've attached the form that Gail Coyle, our treasurer, likes. It tells her the names of you and your guests and how much you're sending. You will receive a name tag when you sign in. Thanks for cutting off that part of the page (attached and below) and sending it with your check.

Gail has a big job, keeping picnic money, donations for the various alumni projects, scholarships and dues all separated. So, please use the form, attached. If you don't get attachments, use the form at the end of this email.

#### DUES

---

Now, I want to talk to you about the \$12 dues. That's what keeps these letters coming to you. We have nearly 400 email-savvy alumni, and another 1800 who receive the first letter of the year by postal mail. The policy has been to send second, third and fourth quarter newsletters ONLY to dues payers. We can only afford to send quarterly news to dues payers right now, so if you want to stay in the loop, (and we want you to) please send your \$12 dues to Gail Coyle, 6047 St. Clair Avenue, North Hollywood, Ca 91606. Right now our 1960+ group of the Alumni Association needs another 150 of you to send in your dues in order for us to pay for the mailings we have done so far. And we need another 200 of you to send in your dues so we can pay for next February's big letter to everyone to inform graduates of The Alumni Association's good works.

The NHHS Alumni Association does a lot of good for school programs, provides scholarships to students and enhances the community. Plus, it brings together so many of us who find comfort in connecting with old friends. Personally, I find that my high school friends and I share the same values, and many of the same interests. Last week, Bill Baldwin ('62) and I worked on the Alumni mailing list. I had my birthday lunch with Barbara Shuken Levine ('61); and last week a lunch with Debby Duffy ('60). Every few weeks I'm invited to meet with the 1962 Reunion committee, which formed such a bond, that even after their reunion, they continued to meet. These are all special times for me. I hope to see more of you as the year goes by.

In June, all of the dues paying Alumni will receive the second letter of the year. In it, you will find out about your friends in "Where Are They Now?" and you'll see a list of our generous donors. If I had the time, I'd create a capsule of the news from the NHHS website. You can visit it at [http://www.lausd.k12.ca.us/North\\_Hollywood\\_HS/](http://www.lausd.k12.ca.us/North_Hollywood_HS/) to see what great things are going on.

NHHS 1960's Sound Track Album Search-For 2003 Fund-Raising:  
-----

I'm Bill Baldwin from the class of 1962 and played in the orchestra for two of the annual music and drama production shows presented during my three years at NHHS, "Brigadoon" and "Potpourri". Earlier this year, I attended the 2003 NHHS production of "Grease" with Barb Shuken and Susie Stockholm who also performed in "Brigadoon" and "Potpourri". This was the latest in a continuous line of presentations dating back to the very first show, "The Prince of Seville" in 1929.

Sitting in the audience, I remembered our shows were recorded and LP's were made available for purchase and wondered if anybody might have saved theirs. More to the point, what if we could find good quality LP's of the shows? I know I'd love to have a CD of either or both programs and would be only too happy to pay for each, as I'm sure many other '60's era Huskies would, which brings us to the following request:

If you have a copy of one of these shows on LP, and would be willing to let the alumni association borrow it to make a CD master copy, we just might have a nice fund-raising vehicle on our hands. Three productions of interest are:

"The Pajama Game" – 1959, "Brigadoon" – 1960, "Potpourri" - 1961

Original recordings by Century Custom Recording - Gabriel Bartold- Engineer

Marina Bryant's mother took the original cast photos from "Potpourri" and Marina has them all. If you have one of the cast albums listed here, or know of someone who does, please contact me via email at [fen69@pacbell.net](mailto:fen69@pacbell.net). Thank you, Bill Baldwin, Jr.
